

PROGRAM OVERVIEW

MRC 101, an introductory training for Medical Reserve Corps volunteers, covers in-depth material about the Medina County Medical Reserve Corps, as well as the state-level MRC program.

Participants will learn about the overall program, including roles and responsibilities of volunteers as well as the involvement of local agencies during an emergency.

This program meets Ohio's state training requirements for Medical Reserve Corps volunteers.

Volunteers Building Strong, Healthy, and Prepared Communities

The Medina County Medical Reserve Corps (MRC) is community based and functions as a way to organize and utilize volunteers who want to donate their time and expertise during an emergency.

Come learn about the Medical Reserve Corps Program and how you can make a difference in your community. All types of volunteers are needed from both the medical and non-medical field. Anyone can help.

REGISTRATION IS REQUIRED. Please be sure to complete and submit the registration form by mail, email, or fax, on the reverse side of this brochure to reserve your space!

This training meets the state requirement for all new and interested MRC volunteers. Anyone wanting to learn more about the MRC program is welcome to attend.

The Medina County

Medical Reserve Corps
