Disclaimer: This list is comprised of individuals who have submitted approved work or examples of approved sewage system designs. The Medina County Health Department makes no guarantee as to the quality of their work. The companies/individuals on this list are not to be construed as an endorsement in any way by the Medina County Health Department. Sewage system designers are not required to be licensed; therefore sewage system installers also may submit designs for approval. Some installers do not design systems. It is recommended to contact multiple parties for pricing and to ask for examples of current approved reports. The Medina County Health Department is available between 8:30 a.m. and 4:30 p.m. weekdays to answer any questions.
