Disclaimer: This list is comprised of individuals who have submitted approved work or examples of approved site and soil evaluations. The Medina County Health Department makes no guarantee as to the quality of their work. The companies/individuals on this list are not to be construed as an endorsement in any way by the Medina County Health Department. A soil evaluator is required to hold a professional soil science certification or be able to prove competency of knowledge of soil.

Please contact the Medina County Health Department if there is a question of whether a soil evaluator is qualified. It is recommended to contact multiple parties for pricing and to ask for examples of current approved evaluations. The Medina County Health Department is available between 8:30 a.m. and 4:30 p.m. weekdays to answer any questions.
